TOTAL RUBBERS & SETS →					

Each Rubber Comprises the best of 3 sets. The first 2 sets have a regular 7 point LTA Tie Break at 6 Games all to decide the set. If this results in 1 set all then a LTA 10 point Championship Tie Break should be played. (This Championship Tie Break counting as a set). The team winning the most Rubbers win the Tie by the score in Rubbers.

*If the Tie finishes 2 Rubbers all, then the team winning the most sets is allocated a bonus Rubber and will win the Tie 3 Rubbers to 2 Rubbers.

** If the Tie finishes level on Rubbers and sets, then a play-off to decide the Tie will be contested by one pair from each team (comprising 1 player from each pair) who will play a LTA 10 point Championship Tie Break. This will count as a bonus Rubber and the winning team will win the Tie 3 Rubbers to 2 Rubbers.
