

ESSEX SOCIAL MEDIA POLICY

Essex Tennis currently have two social media platforms, Facebook @Essexlta & Twitter @EssexLTA

Facebook posts and shares are auto directed to Twitter
Twitter tweets and re-tweets are not auto directed to Facebook.

The social media accounts currently have three administrators/volunteers that populate the accounts on behalf of Essex Tennis.

The main aims of the accounts are to promote Essex Tennis to players, coaches, clubs, parents, schools and volunteers. We also celebrate and highlight county team activity at junior and senior level and recognise individual high level successes.

The administrators will **aim to:** post/share/tweet/re tweet information in relation to the **PRIMARY AREA** list below using Facebook and Twitter. This is subject to moderation regarding appropriate content regarding language, information contained and accompanying images.

PRIMARY AREAS

It is intended that primarily the following areas will be publicised on Essex social media accounts.

Essex Tennis have no control over Facebook algorithms and daily volume of social media traffic.

If there is something anyone wants Essex Tennis to share it is essential that the 'messenger facility' on Facebook is used and subject to the discretion of Essex Tennis, [with particular reference to the **PRIMARY AREAS** above and together with any other appropriate criteria] sharing may take place.
