SENIORS PADEL

GB Women's Seniors

Each year the GB Seniors Women's squad is selected at the end of July, using 2 LTA tournaments to inform this decision beyond the current squad. If you would like to be considered for the Women's team, you would need to enter one or both tournaments and you will be considered for the squad. Early in 2023 the two tournaments to be used for that purpose will be announced.

Senior Women Radar Group

Sally Brown reports

Stratford Padel Club (SPC), London hosted the first development training day for eight of the Senior Women Padel Radar Group earlier this month.

Two coaches led a jam-packed day of activities featuring a variety of drills including fitness, (did you know women's glutes don't 'turn on' as easily as men?!) match tactics, communication, taking the net, point construction, bandejas and lots of tips for dealing with glass shots.

After all the hard work and fun, we were spoilt by the SPC chef to freshly made empanadas and paella! Comments from the day - "Learnt loads" "Excellent!" and "Looking forward to the next one".

Huge thanks to the talented coaches Javi Fernandez Aguirre, CEO, SPC, and Jo Ward, Head of Coach Education and Qualifications, LTA.

Future training dates include 12th November at Stratford (waiting list only) and Sotogrande, January 2023. Anyone who competes regularly and would like to get involved with our Radar Training Events, please send a message to the [gb_seniors_padel](#) Instagram account so we can discuss how to get you involved.

GB Men's Seniors

There are 2 training sessions coming up - one for Northern players at Surge Harrogate on the 5th November and one on 27th November at Rock Lane Chiswick (new indoor courts) on the 27th November. These sessions are for training rather than selection purposes. Both are being coached by Home Of Padel team of Jon Leach (south) and Javi Serrats (north). If you missed last month's

head's up about these training events and would like to express an interest in future events, please contact peter.vann@padelgb.org

The FIP (Federacion Nacional de Padel) have expressed the possibility of a European Seniors event in 2023.

Women in Padel

Look out for coach led sessions at the National Tennis Centre coming up. More details [here](#). Fun, sociable sessions, just for women to develop their padel skills. The next one is Monday 28 November 7-9pm. The December session is already full, so sign up promptly to avoid missing out!

INTRODUCING SAPCA

The Sports and Play Construction Association (SAPCA) is the trade body for the UK's sports construction sector. It has more than 200 members – among them, the UK's leading tennis and padel court designers, contractors, equipment suppliers and professional service providers.

Working in partnership with the LTA, SAPCA published The SAPCA Code of Practice for the Construction of Padel Courts in 2021. The publication offers guidance on the basic construction requirements and specifications currently employed in building padel courts. The standards outlined throughout the document have been recognised and supported as the minimum level for the construction of padel courts in the UK.

The code of practice can be accessed [here](#)
