

Play Your Way To Wimbledon – Essex County Finals 2025

Event Dates: 21st June and 22nd & June 5th July and 6th July

All events went well. Received positive response from all the players, parents and the supporters. Very few entries for doubles this year. We had good entries for boys and girls.

LTA has chosen Essex girls event to be filmed. It was fantastic atmosphere 3 photographers on the court and catching live action. All the players have been interviewed and girls had great experience. Few of the girls mentioned that they felt like they are playing professional tennis. Overall, it was such a great experience for the players. All the winners will now go to Wimbledon in August 2025 to represent Essex in the national finals.
